

Yoshimi Battles the Pink Robots Part I (capo 5)

Her name is Yoshimi, she's a blackbelt in karate
Working for the city, she has to discipline her body
'Cause she knows that it's demanding
To defeat those evil machines
I know she can beat them

Oh, Yoshimi, they don't believe me
But you won't let those robots eat me
Yoshimi, they don't believe me
But you won't let those robots defeat me

Those evil-natured robots, they're programmed to destroy us
She's gotta be strong to fight them, so she's taking lots of
vitamins
'Cause she knows that it'd be tragic
If those evil robots win
I know she can beat them

Oh, Yoshimi, they don't believe me
But you won't let those robots defeat me
Yoshimi, they don't believe me
But you won't let those robots eat me

Yoshimi
'Cause she knows that it'd be tragic
If those evil robots win
I know she can beat them

Oh, Yoshimi, they don't believe me
But you won't let those robots defeat me
Yoshimi, they don't believe me
But you won't let those robots defeat me

Oh, Yoshimi, they don't believe me
But you won't let those robots eat me
Yoshimi, they don't believe me
But you won't let those robots eat me
Yoshimi

She Don't Use Jelly (capo 2)

I know a girl who thinks of ghosts
She'll make you breakfast, she'll make you toast
But she don't use butter, and she don't use cheese
She don't use jelly, or any of these
She uses Vaseline, Vaseline, Vaseline.

I know a guy who goes to shows
When he's at home and, he blows his nose
He don't use tissues, or his sleeve
He don't use napkins, or any of these
He uses magazines, magazines, magazines, magazines.

I know a girl who reminds me of Cher
She's always changing the color of her hair
But she don't use nothing that you buy at the store,
She likes her hair to be real orange,
She uses tangerines, tangerines, tangerines, tangerines.

This Here Giraffe (capo 5)

I saw this bird fly off his head
Without him ever looking up
This here giraffe was never caught complaining
He wouldn't take skin off yer back.

2x And ya hear yourself Thinking
3x This here giraffe, laughed

I saw this man stick out his neck
With his binoculars intact
He couldn't tell the right side of his brain
Had just lost all interest in his left,
2x And ya feel yourself shrinking
4x This here giraffe, laughed
And ya hear yourself
4x This here giraffe, laughed

Do You Realize (capo 2)

Do you realize that you have the most beautiful face

Do you realize we're floating in space,

Do you realize that happiness makes you cry

Do you realize that everyone you know someday will die

And instead of saying all of your goodbyes, let them know

You realize that life goes fast

It's hard to make the good things last

You realize the sun doesn't go down

It's just an illusion caused by the world spinning round

Do you realize, oh, oh, oh?

Do you realize that everyone you know

Someday will die?

And instead of saying all of your goodbyes, let them know

You realize that life goes fast

It's hard to make the good things last

You realize the sun doesn't go down

It's just an illusion caused by the world spinning round

Do you realize that you have the most beautiful face

Do you realize?

The Sun (D)

6x And the sun goes over me.

It'd be so kind to see your face in my door

It wouldn't have to last very long

It'd be so kind to see your face in my door

I wouldn't have to ask anymore.

4x And the sun goes over me.

It'd be so kind to see your face in my door

It wouldn't have to last very long

It'd be so kind to see your face in my door

I wouldn't have to ask anymore.

4x And the sun goes over me.
